The diversity of this pouch allows you to carry a wide variety of items without taking up too much space on your mounting systems.

This pouch offers a full zipper with 2 large silent pull tabs that reach half way down the pouch on either side. This enables the user to easily access the contents within the pouch from the top or sides. The single, internal MOLLE / PALS channel accommodates a carabiner or lanyard (sold separately) for various equipment retention options.

The back of the pouch features a 5 row x 2 MOLLE / PALS channel for various mounting options.
