Bandage Size:	10 x 22,8 x 1cm
Color:	Tan
Country of origin:	USA
NSN no:	6510-01-607-1498
Tariff:	30059099
Weight Packaged:	85g

For First Responders, Military, Law Enforcement and related fields, the Thin H compression bandage provides a fast, effective tool for many kinds of traumas and injuries (particularly those involving arterial bleeding in extremities).

Based on the proven design of the H-Bandage compression dressing, the Thin H Bandage combines a 10 x 19cm thick ABD pad with a strong elastic strap and the patented H-cleat compression device. The H-cleat allows first responders to deliver pressure down onto a wound to control bleeding and protect the wounded area.
