

SAM Chest Seal

With Valve

Item No:	BR-00198
Manufacturer:	SAM Medical
Certificates:	CE, FDA, Sterile
Size:	15,87 x 25,4 x 1,9 cm
Color:	White
Country of origin:	USA
NSN no:	6510-01-606-7097
Tariff:	30051000
Weight:	65g

Key features of the SAM® Chest Seal include its strong adhesive and its flexible construction which allows conformability over the wound.

The adhesive properties have been tested to simulate various environments including adhesion to hair, sweat, blood, in the presence of sand, submersion in water, and during extended wear.

The chest seal also adheres under extreme heat and cold.
