

Combat Eye Shield

Item No:	IM-0019
Manufacturer:	H&H Medical Corporation
Certificates:	CE, Latex Free
Size:	8,2 x 20,3 x 1,2 cm
Color:	Transparent
Country of origin:	USA
NSN no:	6515-01-590-2668
Tariff:	30059050
Weight:	48 g

H&H's Combat Eye Shield patented design (Design Patent No. D674,903) according to the specifications of several active duty surgeons of OIF/OEF to cover penetrating eye injuries. The Combat Eye Shield is designed to meet the CoTCCC guidelines for the treatment of penetrating eye trauma while providing a small, sterile package to fit in any trauma kit.

The Combat Eye Shield is composed of a 15,2 cm Hydrogel disc that surrounds an aluminum fox eye shield, giving a large surface area to attach to the casualty that will not harm adjacent trauma or burns.

The Combat Eye Shield also comes with one 10 x 10 cm Gauze Pad to clean the surface of the wound area before applying the shield.

The package comes vacuum sealed and sterilized for immediate use.
