Country of origin:	UK
NSN no:	8465-99-873-0141
Tariff:	30059099
Weight:	540 g

The Blizzard Tube is a double survival bag, providing instant warmth for up to two people. Made from Reflexcell™, the Blizzard Tube has a draw cord at both ends providing occupants with the choice to sleep side by side or head to foot.

The Blizzard Tube provides complete shelter for one or two people, and enables a casualty to be re-warmed by putting another person into the Tube along side them.

The Blizzard Tube is an effective tool in the prevention and treatment of hypothermia.
