The Saddle Bag set is two pouches - one left and one right oriented opening. These pouches are intended to be mounted externally on a pack (eg. 2ndLine or D-Bag) for quick access to small items.

Zipper with large silent pull tab opens top and one side for access. Internal web accommodates a carabiner or lanyard (sold separately) for equipment retention lanyards.

4 long MALICE Clips included.

Features Include:

- Set of 2 pouches, left and right orientation
- 500 Cordura nylon construction
- 4 x long MALICE Clip included
- 5 row x 2 channel MOLLE.
