

Tactical Heater Element

Element Only

Item No: NU-0040
 Manufacturer: Tactical Foodpack
 Certificates: N/A
 Country of origin: Estonia
 NSN no: N/A
 Tariff: 3090099

Now you have the opportunity to buy heater elements separately and thus save the environment and spend less money.

Notice: Heater element is not reusable. You can heat it up only once. Use with the heater bag (heater bag is reusable for at least 10 times).

Attention: The reaction of the heater creates a lot of heat. Keep hands away from holes and steam. Water exposed to the heater is not suitable for food or drinks.
