A simple pouch intended to fit a standard 10,16 cm field bandage. The pouch has two integral MOLLE attachment straps that can also be mounted on a duty belt.

It will easily fit a pair of gloves, a 10,16cm (4") Olaes® Bandage and Z- Fold Combat Gauze™ (all sold separately), creating a compact hemorrhage control kit.

Features Include:

- 500D Cordura
- Velcro® and snap closure
- MOLLE mounted, no MALICE® Clips required
- Designed in Canada; made in the USA
