An innovative outdoor washing solution. If you are in a situation where there is a lack of water or any washing opportunity, it is a perfect and easy solution.

It is skin friendly, non-sensitizing and free of preservatives. The product includes panthenol making it suitable for using also for cleaning smaller skin scrapes or cuts.

All you need is 10ml of water. Just add water in the pouch, squeeze couple of times and start your shower. In the package you will find 2 cloths, one for upper body and one for the lower body.

It doesn't need rinsing. Your skin will be clean and moisturized.
