

Infrared Hybrid Wearable Safety Light

Red / Blue

Item No:	AC-00001
Manufacturer:	Guardian Angel
Certificates:	IP68
Size:	N/A
Color:	Red & Blue
Country of origin:	USA
NSN no:	8512102000
Tariff:	30059099
Weight:	85 g

Infrared LED Integration – Top of the device has a single 850 nano meter infrared LED which can be controlled independently from the rest of the LEDs on the device.

Water proof, dust proof, shock proof. Long Range Visibility – Tested 5+ miles of visibility using high powered LEDs, 360° wearable lightning. Stealth Work Light Feature – Single red LED work light for low light environments.

The safety light has an extreme Battery Life – Rechargeable lithium ion battery using Type-C charging cable which is included.

Built in Magnet Mounting System – Built in Neodymium magnet and corresponding magnet clip (included) attaches to nearly any surface.
