**ILLUMINATION WITHOUT BOUNDARIES**

Personal Safety Collection I 2020

## ABOUT GA

Guardian Angel™ devices are designed with a core belief that personal lighting technology makes the world a safer place. Our mission is to save lives by developing innovative, high-tech wearable safety devices that are rugged enough to protect the lives of law enforcement and first responders in the field, yet practical and versatile enough to be a must-have tool for all roadside professionals, construction sites or outdoor adventures.

# THE MOST VERSATILE WEARABLE SAFETY LIGHT

## MULTI-USE PERFORMANCE UNDER ANY CONDITION

The Guardian Angel comes standard with a patented Magnetic Mounting System which includes a built in neodymium rare earth magnet as well as a corresponding rare earth magnetic clip. The bond formed between these two magnets exerts an impressive 20 pounds of magnetic force when contacted. This innovative system allows the Guardian Angel to be mounted to nearly anything.

**YOUR PERSONAL SAFETY DEVICE SHOULD BE AS RELIABLE  
AS YOUR WORD AND AS STRONG AS YOUR WORK ETHIC**

**ALL DEVICES EQUIPPED  
WITH A BUILT IN  
NEODYMIUM RARE  
EARTH MAGNET**

A PATENTED MAGNET MOUNTING SYSTEM  
USING 20 LBS FORCE OF RARE EARTH MAGNET

**ALL MOUNTING  
ACCESSORIES EQUIPPED  
WITH A BUILT IN NEODYMIUM  
RARE EARTH MAGNET**

UNIQUE DESIGN WHICH FITS ALL  
DEVICES (MALE END) SECURELY ONTO  
ACCESSORIES (FEMALE END).

## DURABLE

Water proof, dust proof, shock proof, IP68 Rated

## WORK LIGHT

- 1st Press= Single LED On
- Hold= All Front LED's On, Rear LED's Flashing

## BUILT-IN MAGNET

Super Strong Built-in Rare Earth Magnet Mounting System (on underside)

# GUARDIAN ANGEL™ PRODUCT SPECS:

- PRODUCT NAME** — Guardian Angel™ Elite™ Series LED Light Bar
- LIGHT SOURCE** — 18 LED'S
- COLORS** — Red, White, Blue, Yellow, Green, Orange, Infrared
- BRIGHTNESS** — Up to 800 lumens (varies by model),  
2+ Miles Visibility
- SIZE** — 2.75W x 1.87L x 1"H
- WEIGHT** — 3.25oz; 92.4g
- BATTERY** — **Type:** Lithium Polymer Battery  
**Capacity:** 1400mAh / 5.18Wh  
**Charging Time:** Approx. 1.5 hrs  
**Normal Voltage:** 3.7V  
**Certification:** UN38.3  
**Battery Life hr/charge:** Varies based on  
brightness setting & light mode. 1.5 – 150 hours  
**Battery Life Cycle:** 1500 – 3000 cycles
- CHARGING** — **Input:** AC 100-240V~50/60Hz 0.6A  
**Output:** 5.0V - 2000mA
- CASING** — **Material:** Lens Polycarbonate, Glass Filled  
Polycarbonate Casing  
**IP Rating:** P68 Water/Dust Proof Rating  
**Flammability Rating:** UL 746B, UL94
- MOUNTING** — Neodymian iron boron Grade NB42 magnets
- ENVIRONMENT** — **Operational Temp & Humidity:** -40C°- 110C°  
**Storage Temp & Humidity:** 20-28C°

# MULTI USE PERFORMANCE IN ANY SETTING

Guardian Angel™ lighting collection is rugged enough to protect the lives of law enforcement and first responders in the field, yet practical and versatile enough to be a must-have tool on any construction site or outdoor adventure. Each device is a trusted travel companion that keeps you visible, lights your way and guides you home safely.

# BUILT TOUGH YEAH, WE'VE *TRIED* TO BREAK IT

IP68 Rated, durable, shock-proof, water and dust proof, and able to withstand extreme work/weather conditions. Drop tested at 500 feet and still completely functional.

## STANDARD GA - RED WORK LIGHT

WHITE/WHITE

WHITE/RED

WHITE/GREEN/YELLOW

WHITE/YELLOW

WHITE/GREEN

WHITE/BLUE/YELLOW

WHITE/ORANGE

WHITE/WHITE/RED

WHITE/WHITE/YELLOW

WHITE/RED/YELLOW

Each device features all white front LED's (8), solid or split color rear LED's (8), a single red LED work light in the front (1), and a white LED light on top (1). Each side has flashing and constant on light patterns which can be independently controlled.

# STANDARD GA - WHITE WORK LIGHT

GREEN/GREEN

RED/RED

YELLOW/YELLOW

WHITE/RED

WHITE/YELLOW

GREEN/YELLOW

Each device features solid or split color front LED's (8), solid or split color rear LED's (8), a single white LED work light in the front (1), and a white LED light on top (1). Each side has flashing and constant on light patterns which can be independently controlled.

## STANDARD LE

RED/BLUE

BLUE/BLUE

The Standard Law Enforcement Series feature a custom designed lithium ion rechargeable battery, built-in rare earth magnet, multiple mounting accessories, high powered LEDs providing over 5+ miles of visibility, independent front, rear, and top light controls, an ultra-bright white LED on top, emergency mode, three brightness settings, a 360° light pattern, a polycarbonate and waterproof exterior, and a universal micro-USB charging port.

# LE/IR HYBRID

RED/BLUE

BLUE/BLUE

Same as Standard Law Enforcement Devices, except LED on top of the device is 850 nanometer infrared (IR) LED (1), which can be independently controlled.

## MODIFIED STANDARD GA

RED/GREEN

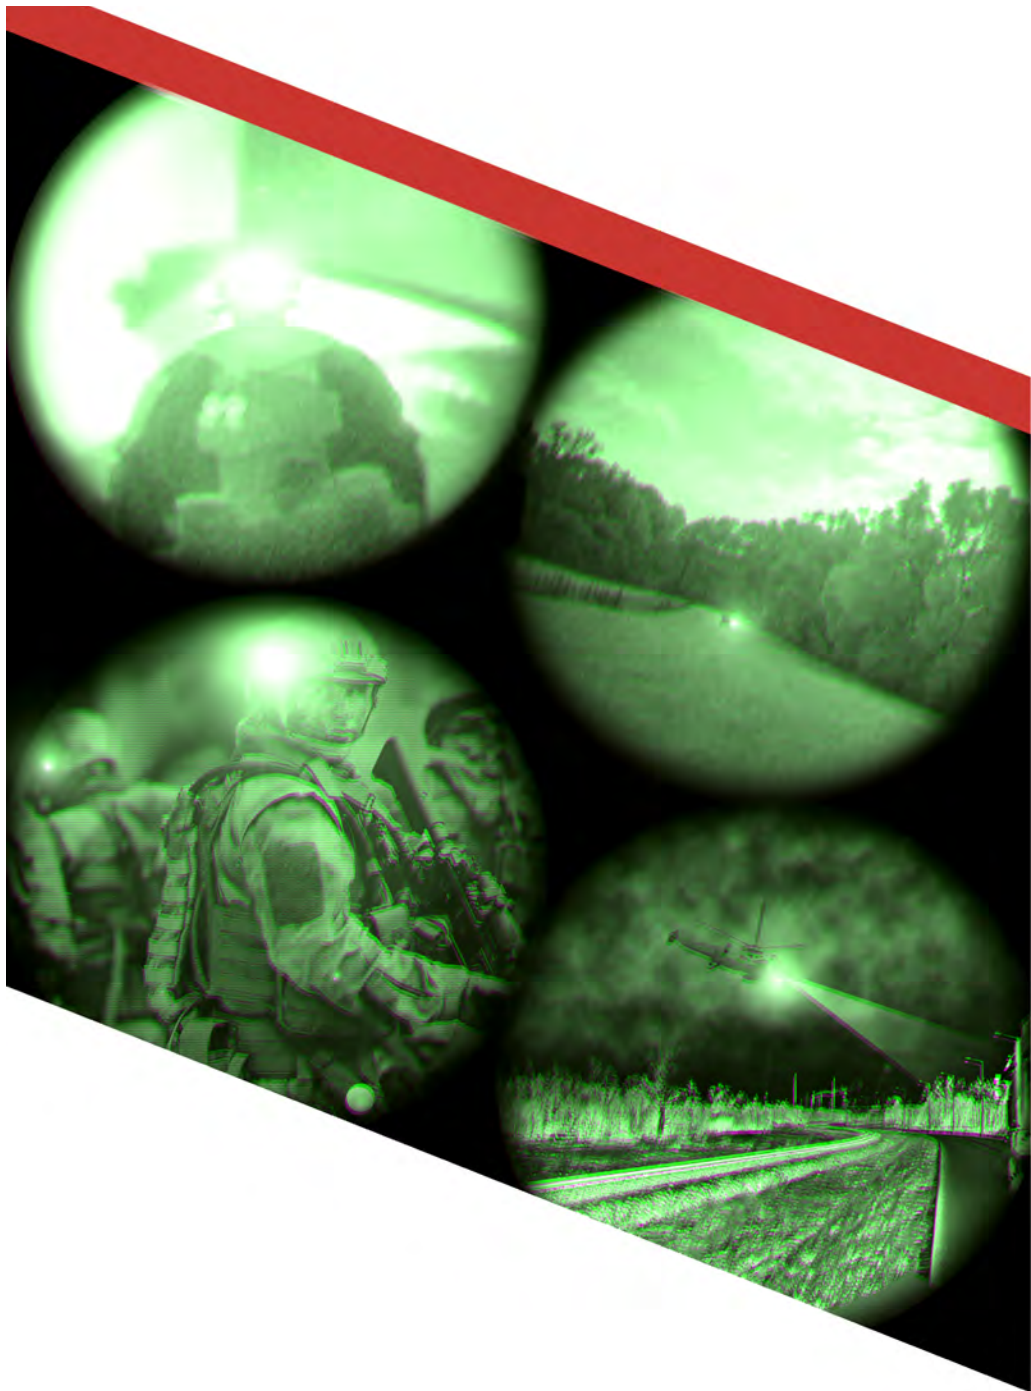

WHITE/WHITE

ORANGE/ORANGE

These devices have specialized LED configurations and light pattern modes. See image for LED light placement and instruction card for light pattern functionality.

## ALL INFRARED UNIT

Nanometer infrared LED's emits no visible light (seen using night vision) and have 2+ mile visibility.

# OVER 5000 ORGANIZATIONS TRUST THE GUARDIAN ANGEL

“ I have never seen so much punch packed into such a little device. From the moment you turn this on you can't be missed. Whether you are in law enforcement, fire services, EMS or just a civilian that needs to be noticed, this little gem will light up the night sky. I am so impressed what this little “thing” can do! Greatest purchase I've ever made and well worth every dime! ” G. Farrell

“ I have been a Deputy Sheriff for 11 years. This light has changed my life in police work. I have never used a light like this before. I would recommend this product to anyone out there!” J. Bennett

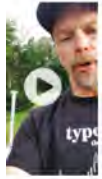

“ I bought this a week ago and it has become such a useful tool. I use it at work on Traffic Stops, Construction Posts and normal in vehicle reading as well as off duty walking my dog. It is compact, extremely bright and something I wish I had years ago.” Jeff L.

**“I'VE OWNED THE LIGHT FOR LESS THAN TWO WEEKS & IT HAS BEEN A LIFE SAVER AT LEAST 3 TIMES SO FAR.”** Andrew

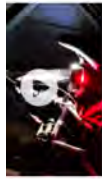

# 4.98 OUT OF 5

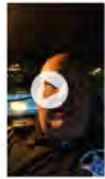

## 1,400+ REVIEWS

“ This is a great product when you need some more visibility for safety. They work great while conducting traffic control and complement the uniform with a useful light while on patrol.” J. Williams

“ To me this is one of the best safety devices I use on a daily basis. The ability to show motorist your location at all time is key for safety. I use this for traffic stops at night and low light situations.” P. Cook

“ Best visibility for any device I could have ever thought possible. We work concerts and property and sometimes very dark spots . The safety of my staff and my safety are more protected by the use of this device along with our other source devices.” Tony

“ Absolutely love the product and the customer service !! Nothing but satisfied with the product .. definitely looking forward to see what else they come up with.” J. Hill
