Size:	20,32 x 14 x 5cm
Color:	Black
Country of origin:	USA
NSN no:	6515-01-450-9790
Tariff:	90184990
Weight:	283g

The lightweight, compact, and highly innovative Special Operations Laryngoscope Set is designed to operate effectively under the most extreme environmental conditions.

To ensure the laryngoscopes perform as long and as well as necessary, the sets are packaged with spare bulbs and batteries.

The fiber optic handle is water-proof, sand-proof, and dust-proof and features a textured gripping surface.

The set includes single-use fiber optic blades made from an enhanced polymer for exceptional strength and rigidity. For added convenience, the handle's removable light source is designed to work with any standard (green-spec) fiber optic blade.

The complete set rolls up for easy storage and easy transport.
