

Control Wrap

6"

Item No:	CL-0007
Manufacturer:	Tactical Medical Solutions
Certificates:	CE
Size:	15 x 121cm
Color:	N/A
Country of origin:	China
NSN no:	6510 01 619 0260
Tariff:	30059099
Weight:	89g

Tactical Medical Solutions® designed the Control Wrap to make life a little easier when under stress. They have incorporated a series of brakes into each elastic bandage. These brakes prevent accidental un-rolling during application. The brakes also provide grip surfaces during the wrapping process and assist in maintaining the desired pressure and position of the bandage. This is extremely helpful when changing angles during the wrapping process or if bandaging awkward injuries. By reducing the risk of accidental unrolling of the bandage, you minimize the following risks:

Contaminating a clean bandage, waste of a bandage due to contamination, lost time while managing loose ends, loss of pressure after applying the bandage due to shifting of material.
