NSN no:	6515-01-541-0635
Tariff:	90183190
Weight:	14 g
Shelf Life:	1 year

14 gauge x 3.25" chest decompression needle. Strong, reliable tension pneumotho-

rax needle allows for secure placement of catheter for continuous relief during needle thoracostomy.

Rugged tube with textured, easy-open hex cap and capless flash chamber for instant confirmation of needle placement.

Convenient, compact size for maximum portability. Shock resistant, precision dimensioned case and needle hub ensure that chest decompression needle and catheter secure upon deployment for safety.
