

NORSE RESCUE®

NORSE or Norsemen were a North Germanic ethnolinguistic group of the Early Middle Ages, during which they spoke the Old Norse language. During the late eighth century, Scandinavians embarked on a large-scale expansion in all directions, giving rise to the Viking Age.

Norse seafaring traders, settlers and warriors are commonly referred to as Vikings. The identity of NORSE RESCUE® is based on the very essence of our ancestors; NORSE RESCUE® will find and develop new and innovative products, focus on fair pricing to make products available for all Pre-hospital warriors no matter the battleground.

“MEDICINA BONA LOCIS MALIS” Good Medicine, Bad Places is a part of our DNA and we know firsthand the challenges you face whether it is EMS in the streets or TCCC in theatre. NORSE RESCUE® has your six all the way.

The serie is under development, this means it will only grow bigger and ad extra products. So if, the user and experts lack any products in the serie let us know and we will work on providing the NORSE RESCUE® serie with all the products relevant for you.

We are proud to announce this nordic brand to you where you will experience stability and good quality in all of the NORSE RESCUE® products.

Our goal with the NORSE RESCUE® serie are to make a reliable serie of products that will give you the quality you need, but for affordable prices. Feel free to look through the folder for descriptions of the products, and do not hesitate to contact us for any inquiries or questions.

The right equipment and good decisions at the right time matters. NORSE RESCUE® products will assist you in those crucial moments.

Stay safe out there.
