QuikClot® Combat Gauze LE™ is a soft, white, sterile, non woven 3 in. by 4 yd Z-folded gauze impregnated with kaolin, an inert mineral that does not generate heat. QuikClot® Combat Gauze LE™ is individually wrapped in an easy rip, military grade foil pouch. Indicated for temporary external control of traumatic bleeding, QuikClot® Combat Gauze LE™ is flexible and pliable and contours to all wounds. Effective, simple and safe to use when trying to control life-threatening hemorrhage from wounds that are not amenable to tourniquet application.

Z-Fold, Vacuum Packed for easy application
Effective, Simple, and Safe – Does not generate heat
Easy to use and remove
Flexible and pliable
3 in. x 4 yd (12 ft)
